Hanalei Items

The "S. S. Noeuan," from Honolulu, arrived Thursday morning, bringing a general cargo of freight for the Hanalei side. She also brought a good sized foreign mail.

Several tickets were sold at Hanalei for the Haena concert which was given Saturday night by the Haena School for the benefit of the basket ball team.

Mr. and Mrs. Menefoglio and Mr. Giacomette from Wainiha, visited the Maikes Saturday.

Mr. and Mrs. Craymer, took the Noeuan last week for Honolulu. Mr. Graymer was head-luna for the Kilanea Plantation.

Mrs. White of Kilanea, came over Sunday and took her mother, Mrs. Ridel, home with her to visit a few days with Mrs. White's family.

Chew Wai is building a new tailor shop not far from Mr. Werner's. When the building is completed he is going to have a dressmaker come from Honolulu to help with the dressmaking.

Mr. and Mrs. Clapper of Kealia, were guests of the Deverill Hotel from Friday to Sunday afternoon.

The flag has been waving several times over the Hanalei court house during the past week. The case tried Saturday was for larceny.

Mr. Brodie, Supervising Principal of Kanae, spent Monday, December 4, with the Hanalei School. Owing to the bad condition of the roads, he was unable to go farther in his automobile, so he procured a horse and buggy for the trip next day to Haena.

China's Throne in State of Collapse

The latest advices from China tell of the complete abdication of the throne, the power of authority being placed in the keeping of two nobles who were nominated by the general assembly.

That the Prince Regent has been provided for, is indicated by the annual pension which has been allowed him, amounting to \$32,650 per annum.

The "S. S. Honolulu," will arrive in Port Allen the latter part of this week.

For some time the people of Hanalei have been planning for a new church, to be erected near the old one. Last week the Noeuan brought the first consignment of lumber for the new building.

After the new church, the next thing in order will be the much-needed wharf at Hanalei. When the last shipment of rice was made, not more than ten bags of rice could be carried at one time in the small boats, as the sea was running high on the beach and the boats had to come into the river over the sand bar.

On Friday, December 1, a party of teachers, Miss May Akeo, Miss Amy Wong, Miss Alice Harper, all of the Kapaa School, and Miss Stuart of the Kalaheo School, started on an excursion around the island in an automobile. As they passed through Hanalei they called on Mrs. Ahi and Mrs. Newman, and visited the school house and grounds. In the afternoon they went to see the Haena caves.
